CLAIM PROCEDURES

Due to ongoing Covid-19 transportation issues we have raised the allowable defect tolerances to 15%.

The following procedures must be followed to file a claim for defects.

1. Temperature Recorder data must accompany a claim and the unit must be kept on file, in case we require physical evidence for insurance or other purposes.
2. Air / Truck claim requests must be filed within 24 hours of arrival.
3. Sea claim requests must be filed within 48 hours of arrival.
4. Consignee must have the product available for a formal survey inspection.
5. Photos of product, lot number(s), pack date(s), must accompany all claim requests.
6. A Video of an “unopened” box being inspected from beginning to end, defects recorded.
7. Include “Estimated losses” to move the product quickly.
8. An official “Dump” certificate may be requested with the recorded fruit thrown out.
